

ENVIRONMENTAL LAW COURSE (3 days)

Compliance with Environmental law is increasingly becoming more important in running your business. In fact, non-compliance can lead to heavy fines, closure of your operations and even jail time. Ultimately, the costs associated with the identification and addressing of risks far outweigh the potential costs of addressing legal non-compliance afterwards. In light hereof, EOH Legal Services is presenting a 3 day environmental law course.

OBJECTIVES

The objective of this course is to:

- Provide managers and employees responsible for environmental management with up to date knowledge (including recent case law) necessary to understand and implement Environmental Law in South Africa;
- Comply with ISO14001:2015 Clause 7.2 Competency and Clause 7.3 Awareness.

- Water Services Act
- Environment Conservation Act
- Heritage Resources Act
- Protected Areas Act
- Provincial Ordinances/Acts
- Municipal By-laws
- Common Law

TARGET AUDIENCE

- Environmental Managers & Specialists;
- Employers and Employees concerned about environmental aspects presenting a compliance risk;
- Auditors in the field of Environmental Auditing;
- Implementers of ISO management systems and ISO Auditors.
